

Real-Time Reporting

No waiting required! qConnection will automatically refresh as long as the device remains connected to Wi-Fi. Users can instantly download leads from the qConnection website and follow up while continuing their work at the conference.

Customizable

The qConnection app is completely customizable. Users have the ability to develop custom qualifiers and questions, add special notes for each lead and/or tailor survey questions within the app to better suit any sales need.

Easy To Use

qConnection is an intuitive and innovative lead retrieval solution shaped by more than forty years of industry experience. This app can be used on personal smartphones or tablets, giving you direct control over your leads. Leads can be accessed and downloaded into excel on the admin reporting site.
